

The 10 Commandments

Commandments Train

Rail Car Instructions: Cut each car out as one piece, cutting between the car and rail as indicated by the red dotted line (shown only on caboose, but for all). Score the folding edges if using cardstock. Fold the sides, ends and tabs over. Glue the tabs to the back of the car on the opposite side.

Caboose Top: Cut out as one piece and fold on lines (do not fold the two small tabs on the bottom). Glue the side and top tabs. Use the tips of scissors, or a sharp knife to cut slots in the caboose roof along the red dotted lines. Slide small tabs into slots.

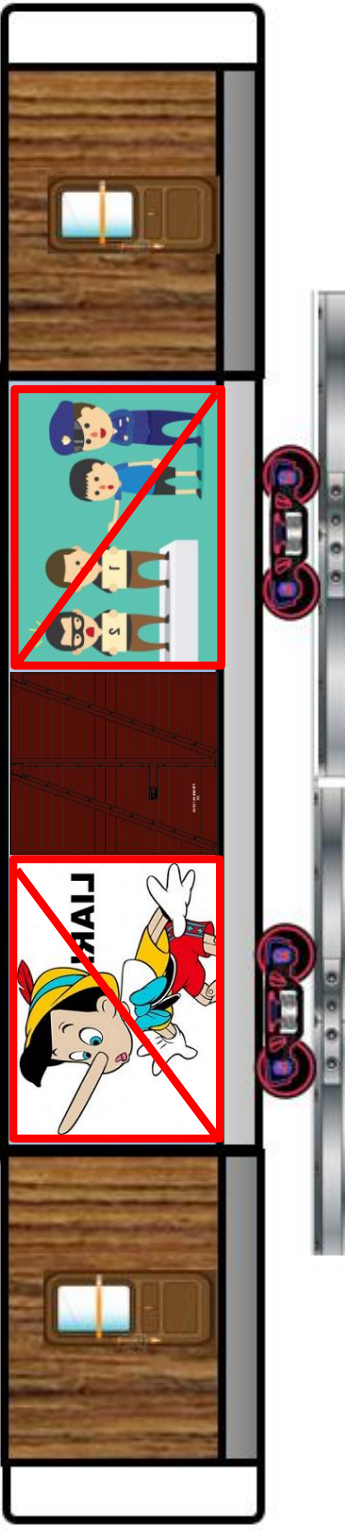

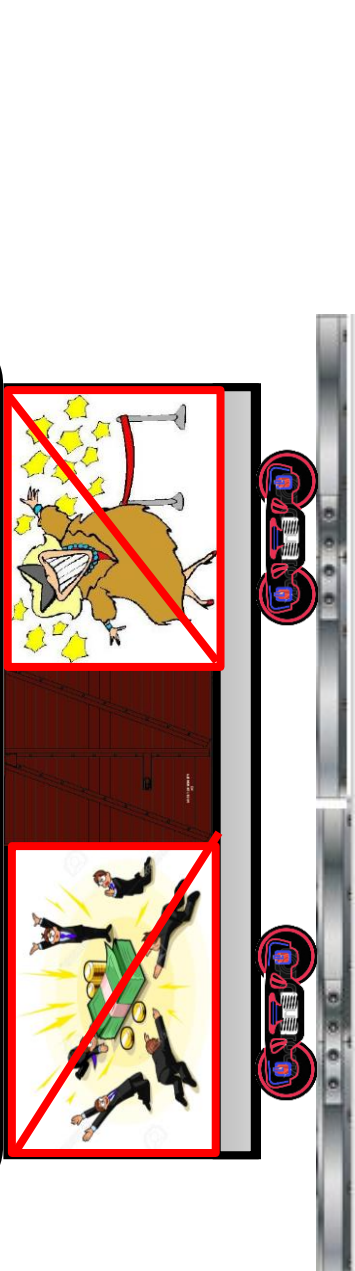

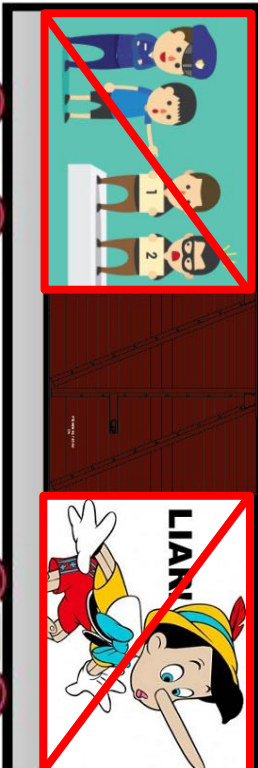

Engine Instructions: Cut engine out as one piece, cutting between the front and back parts of the engine and rail as indicated by the red dotted line. Cut the inner sections only along the thin, red dotted lines. Fold the sides, ends and numbered tabs over. Do not fold the edge of the boiler. Use the tip of the scissors or sharp knife to cut a slot on the red dotted lines on the boiler cover. Glue the smoke stack/lamp first, then gluing tabs 2-5 in their numbered order. Glue tab 6, then attach to far side of the engine, leaving in an oval shape. Slide the tab on the smoke stack/lamp in the slot. Cut out piece 7 and fold the ends. Glue underneath the boiler section to keep the sides even.
